HARVARD MEDICAL PROFESSOR SAYS FEDERAL FUNDING CUTS 'WILL COST LIVES'

BY [THE HILL](#) | APRIL 17, 2025

David Walt, a Harvard University medical professor, argued the Trump administration's cut to the university's funding is going to "cost lives." Walt, a laureate professor working on early diagnosis of ALS, joined CNN Wednesday as the legal battle between Harvard and the Trump administration continues and more than \$2.2 billion in funding was cut from the school.
