## Case Summary

(This summary is temporary, while we research the case.) On April 3, 2025, several labor organizations representing the interests of federal employees and nurses filed this lawsuit in the United States District Court for the Northern District of California. They named President Donald Trump and numerous federal agencies and departments and their agency heads as Defendants. They challenged the Executive Order titled “Exclusions from Federal Labor-Management Programs,” signed on March 27, 2025. They alleged that the EO blatantly retaliated against Plaintiffs’ protected speech in support of civil servants, and violated the First Amendment, the Fifth Amendment, and the Separation of Powers.
