NEAR EAST REPORT

We know that community leaders, as well as Christian public opinion molders, who are actively engaged in the creation of a better understanding of Israel and the Middle East have found the NEAR EAST REPORT an important and vital source of information. It is for this reason that the American Zionist Council has in the past been pleased to furnish them with a subscription to the publication.

Unfortunately, we must now inform you that the Council is no longer in a position to continue this service. However, in view of the significant need which the REPORT meets, we urge you to enter your own subscription, and, if possible, enter subscriptions for public opinion molders and libraries in your community. Enclosed, for your convenience, is a leaflet which contains a subscription blank.

Kindest regards.
