DEPARTMENT OF JUSTICE

Memorandum

TO : Files
cc-Mrs. Bowman

DATE: February 25, 1965

JWY:NBL:rcw

FROM : *12* Nathan B. Lenvin

SUBJECT: AMERICAN ZIONIST COUNCIL

On the evening of Thursday, February 25, 1965, I conferred with Mr. Nathaniel S. Rothenberg in regard to the failure of the above subject to submit certain information which it had agreed to furnish during the course of a meeting attended by Mr. Rothenberg, the writer, ~~and~~ then Deputy Attorney General Nicholas Katzenbach, *and Mr. Feagley*.

The delay, according to Mr. Rothenberg, was caused by the inability of the subject to collect all of the information we wanted in the detail it was indicated the Department desired; however, he assured me this material had now been collected and was in the process of being put into proper form, and he promised faithfully that we would have the material sometime during the week of March 1st. I told Mr. Rothenberg we had depended to some extent on his good faith in assuring us that the material would be coming in, and that I would not like to believe that he did not intend to adhere to the assurances he gave to Mr. Katzenbach during the course of the above referred to meeting. Mr. Rothenberg stated he had been out of the city for considerable periods of time but that now he was back he would be certain to have the material forwarded to us.

The reason why the meeting with Mr. Rothenberg was delayed until the evening of February 25 was my inability to communicate with him until that time because Mr. Rothenberg had been out in the Pacific Northwest and his return flight was considerably delayed by adverse weather.
