STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : Files

DATE: March 24, 1965.

FROM : Irene A. Bowman IAB:im

SUBJECT: *143* American Zionist Council
Registration Act - Israel 146-1-51-14032

Reference is made to the Department's proposed acceptance of a registration statement under the Foreign Agents Registration Act from the above organization to be made up from one or more of the following items: random reports on activities of the organization during 1961 and 1962; a payroll record for the 3 month period, November 1, 1962 - January 18, 1963; two general summaries of income and expenditures for the year ending March 31, 1962; and the ten month period ending January 31, 1963; and an itemization of disbursements of the Department of Information and Public Relations for the 3 month period April 1, 1962 to June 30, 1962 but not including the listing of the recipients of the funds.

While it appears possible to make up a registration statement from documents furnished by a prospective registrant, these documents should furnish all of the information required by the Act to be stated in a registration statement. The above material, none of which is executed under oath, fails to provide the following information which is material for the purpose of the Act: The identification of the foreign principal, the Jewish Agency, American Section, Inc. and whether the agency relationship still exists; the agreement or the terms of the agreement, if oral, between the Jewish Agency and the AZC; a detailed itemization of expenditures for the period, April, 1960 - to the date of dissolution from the Department of Information and Public Relations; a comprehensive statement regarding the funds received from the foreign principal from 1960 including the purpose for which received; and a concise statement of the activities undertaken on behalf of the foreign principal. In addition no short-form registration statements have been filed by the responsible officers of the AZC.
