RECORD

February 10, 1964.

Nathaniel S. Rothenberg, Esquire
55 Liberty Avenue
New York, New York

Dear Mr. Rothenberg:

Pursuant to our conversation on Friday, January 31, 1964, there is enclosed a copy of Part 9 of the transcript of the Hearing before the Senate Committee on Foreign Relations on Activities of Nondiplomatic Representatives of Foreign Principals in the United States.

You will note on pages 1416 through 1418 that the Jewish Agency, American Section, Inc. submitted a year-by-year accounting for payments made to the American Zionist Council since April 1, 1960. While we appreciate receiving the material which you have submitted regarding the receipts and expenditures of the Council, it neither covers the period from 1960 nor does it provide sufficient detail to be useful for public examination. Consequently, the Department would like a detailed statement of the money received from the American Section since April 1, 1960, itemized as to the date the funds were received, the purposes for which received and the amount received.

With regard to the expenditures, while it would be desirable that such statement cover the period from April 1, 1960, to the date of the Council's dissolution, if such request is too burdensome, the statement could cover the last two years, 1961-1962. The Department is not concerned with the Council's expenditures in connection with exempt activities such as Hebrew education and culture but requests that the Council submit a statement detailing its other expenditures and particularly those under the category of the Department of Information and Public Relations, so as to include the specific dates payments were made, the name of the person or organization to whom payment was made, the purposes for which payment was made and the amount of payment.
