INTERNAL SECURITY DIVISION

Dear Mr. Kennedy:

Several thoughtful and valued constituents have expressed their concern to me over a report in the June 28th issue of the Chicago edition of the Wall Street Journal which indicated that the determination by the Justice Department of the question of the registration of the American Zionist Council as an agent of the Israeli Government will depend upon the "risk of offending Jewish opinion in the United States."

I would greatly appreciate your comments on this statement and also a report as to the policy the Department of Justice will follow in determining this question.

Thank you.

Sincerely yours,
