The Honorable,

Department of Justice,

Dear Mr. Katzenbach:

Re: American Zionist Council

On behalf of the American Zionist Council we transmit herewith the following:

1. A complete record of payroll for the period November 1, 1962 through January 18, 1963.
2. A schedule of income, showing the date of each receipt, the person from whom received, the amount of the receipt and the nature of the receipt, for the period November 1, 1962 through January 18, 1963.
3. A schedule of payments, showing the date of each payment, the name of the payee, the amount of the payment and the purpose for which the payment was made, for the period November 1, 1962 through January 18, 1963.

We are authorized to assure you that these schedules are in all respects true and complete and are representative and typical of the operations of the Council prior to termination of its subventions from the Jewish Agency.

The date January 18, 1963, represents the date when the mode of financing of the American Zionist Council was modified and after which date no further subventions were received from the Jewish Agency.

As you know, our client is not prepared to register as an agent of a foreign principal, or to concede that it is subject to the registration requirement. It has, however, no reluctance to make this information available voluntarily and in response to the expressed desire on the part of the Department to have such
