Gentlemen:

Re: Registration No. 543

FILED
BY Bill Beach
On JUN 21 1949

Enclosed herewith are supplemental registration statement forms to be filed, pursuant to the Foreign Agents Registration Act of 1938, as amended, for the period beginning October 13, 1948 and ending June 30, 1949. In the future, as indicated in your letter of November 1, 1948, the regular six months reporting period will end on June 30 and December 31, respectively, in each year. These forms should be filed in duplicate within thirty days after that date.

An examination of your registration statement, filed on October 12, 1948, reveals certain deficiencies which are noted below. It is requested that these deficiencies be corrected in filing the next supplemental statement.

Item 14 of the registration statement requires the filing of Exhibits B, D and F. To this date we have not received these exhibits.

Rule 400 requires the filing of statements concerning the distribution and labeling of political propaganda. These statements also have not been submitted.

Items 5, 8, 10(b) and 10(c) were unanswered.

In Item 5(a) of the Exhibit A filed by Lillian Outerman, it is indicated that you have an office in the Los Angeles Consulate. It is requested that this be reported in Item 5(a) of the enclosed supplemental statement forms as well as all of the other information concerning branches and local units which began or ceased to operate during the period.

Sincerely yours,
