Be it enacted by the General Assembly of the State of Ohio:

SECTION 1. That sections 135.143 and 135.35 be amended and section 9.76 of the Revised Code be enacted to read as follows:

Sec. 9.76. (A) As used in this section:

(1) "Boycott" means engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with persons or entities in a discriminatory manner. "Boycott" does not include:

(a) Boycotts to which 50 U.S.C. 4607(c) applies;

(b) A decision based on business or economic reasons, or the specific conduct of a targeted person or entity;

(c) A boycott against a public entity of a foreign state when the boycott is applied in a nondiscriminatory manner; and

(d) Conduct necessary to comply with applicable law in the business's home jurisdiction.

(2) "Company" means a sole proprietorship, partnership, corporation, national association, societ e anonyme, limited liability company, limited partnership, limited liability partnership, joint venture, or other business organization, including their subsidiaries and affiliates, that operates to earn a profit.

(3) "Israel" means Israel or Israeli-controlled territories.

(4) "Jurisdiction with whom this state can enjoy open trade" means any world trade organization member and any jurisdiction with which the United States has free trade or other agreements aimed at ensuring open and nondiscriminatory trade relations.

(B) A state agency may not enter into or renew a contract with a company for the acquisition or provision of supplies, equipment, or services, or for construction services, unless the contract declares that the company is not boycotting any jurisdiction with whom this state can enjoy open trade, including Israel, and will not do so during the contract period.

Sec. 135.143. (A) The treasurer of state may invest or execute transactions for any part or all of the interim funds of the state in the following classifications of obligations:

(5) Securities lending agreements with any eligible financial institution that is a member of the federal reserve system or federal home loan bank or any recognized United States government securities dealer, under the terms of which agreements the treasurer of state lends securities and the eligible financial institution or dealer agrees to simultaneously exchange similar securities or cash, equal value for equal value.

Securities and cash received as collateral for a securities lending agreement are not interim funds of the state. The investment of cash collateral received pursuant to a securities lending agreement may be invested only in such instruments specified by the treasurer of state in accordance with a written investment policy.

(6) Various forms of commercial paper issued by any entity that is organized under the laws of the United States or a state, which notes are rated in the two highest categories by two nationally

(c) When added to the investment in commercial paper, the investments in the debt interests of a single issuer shall not exceed in the aggregate five per cent of the state's portfolio.

(d) For purposes of division (A)(10) of this section, a debt interest is rated in the three highest categories by two nationally recognized standard rating services if either the debt interest itself or the issuer of the debt interest is rated, or is implicitly rated, in the three highest categories by two nationally recognized standard rating services.

(e) For purposes of division (A)(10) of this section, the "state's portfolio" means the state's total average portfolio, as determined and calculated by the treasurer of state.

The notification shall be given within thirty days after such classification and, in the event the state board

of deposit does not concur in such classification or in the investments or deposits made under this section, the board may order the treasurer of state to sell or liquidate any of the investments or deposits, and any such order shall specifically describe the investments or deposits and fix the date upon which they are to be sold or liquidated. Investments or deposits so ordered to be sold or liquidated shall be sold or liquidated for cash by the treasurer of state on the date fixed in such order at the then current market price. Neither the treasurer of state nor the members of the state board of deposit shall be held accountable for any loss occasioned by sales or liquidations of investments or deposits at prices lower than their cost. Any loss or expense incurred in making these sales or liquidations is payable as other expenses of the treasurer's office.

(C) If any securities or obligations invested in by the treasurer of state pursuant to this section are registrable either as to principal or interest, or both, such securities or obligations shall be registered in the name of the treasurer of state.

(D) The treasurer of state is responsible for the safekeeping of all securities or obligations under this section. Any such securities or obligations may be deposited for safekeeping as provided in section 113.05 of the Revised Code.

(E) Interest earned on any investments or deposits authorized by this section shall be collected by the treasurer of state and credited by the treasurer of state to the proper fund of the state.

(F) Whenever investments or deposits acquired under this section mature and become due and payable, the treasurer of state shall present them for payment according to their tenor, and shall collect the moneys payable thereon. The moneys so collected shall be treated as public moneys subject to sections 135.01 to 135.21 of the Revised Code.

(G) The treasurer of state and any political subdivision issuing obligations referred to in division (A)(12) of this section, which obligations mature within one year from the original date of issuance, may enter into an agreement providing for:

(1) The purchase of those obligations by the treasurer of state on terms and subject to conditions set forth in the agreement;

(2) The payment by the political subdivision to the treasurer of state of a reasonable fee as consideration for the agreement of the treasurer of state to purchase those obligations; provided, however, that the treasurer of state shall not be authorized to enter into any such agreement with a board of education of a school district that has an outstanding obligation with respect to a loan received under authority of section 3313.483 of the Revised Code.

(H) For purposes of division (G) of this section, a fee shall not be considered reasonable unless it is set to recover only the direct costs, a reasonable estimate of the indirect costs associated with the purchasing of obligations of a political subdivision under division (G) of this section and any reselling of the obligations or any interest in the obligations, including interests in a fund comprised of the obligations, and the administration thereof. No money from the general revenue fund shall be used to subsidize the purchase or resale of these obligations.

(I) All money collected by the treasurer of state from the fee imposed by division (G) of this section shall be deposited to the credit of the state political subdivision obligations fund, which is hereby created in the state treasury. Money credited to the fund shall be used solely to pay the treasurer of state's direct and indirect costs associated with purchasing and reselling obligations of a political subdivision under division (G) of this section.

(2) Bonds, notes, debentures, or any other obligations or securities issued by any federal government agency or instrumentality, including, but not limited to, the federal national mortgage association, federal home loan bank, federal farm credit bank, federal home loan mortgage corporation, and government national mortgage association. Securities and cash received as collateral for a securities lending agreement are not inactive moneys of the county or moneys of a county public library fund. The investment of cash collateral received pursuant to a securities lending agreement may be invested only in instruments specified by the investing authority in the written investment policy described in division (K) of this section.

An eligible investment described in this section with a variable interest rate payment, based upon a single interest payment or single index comprised of other eligible investments provided for in division (A)(1) or (2) of this section, is not a derivative, provided that such variable rate investment has a maximum maturity of two years. A treasury inflation-protected security shall not be considered a derivative, provided the security matures not later than five years after purchase.

(C) Except as provided in division (D) of this section, any investment made pursuant to this section must mature within five years from the date of settlement, unless the investment is matched to a specific obligation or debt of the county or to a specific obligation or debt of a political subdivision of this state, and the investment is specifically approved by the investment advisory committee.

(2) Payment for investments shall be made only upon the delivery of securities representing such investments to the treasurer, investing authority, or qualified trustee. If the securities transferred

are not represented by a certificate, payment shall be made only upon receipt of confirmation of transfer from the custodian by the treasurer, governing board, or qualified trustee.

(K)(1) Except as otherwise provided in division (K)(2) of this section, no investing authority shall make an investment or deposit under this section, unless there is on file with the auditor of state a written investment policy approved by the investing authority. The policy shall require that all entities conducting investment business with the investing authority shall sign the investment policy of that investing authority. All brokers, dealers, and financial institutions, described in division (J)(1) of this section, initiating transactions with the investing authority by giving advice or making investment recommendations shall sign the investing authority's investment policy thereby acknowledging their agreement to abide by the policy's contents. All brokers, dealers, and financial institutions, described in division (J)(1) of this section, executing transactions initiated by the investing authority, having read the policy's contents, shall sign the investment policy thereby acknowledging their comprehension and receipt.

(2) If a written investment policy described in division (K)(1) of this section is not filed on behalf of the county with the auditor of state, the investing authority of that county shall invest the county's inactive moneys and moneys of the county public library fund only in time certificates of deposits or savings or deposit accounts pursuant to division (A)(3) of this section, no-load money market mutual funds pursuant to division (A)(5) of this section, or the Ohio subdivision's fund pursuant to division (A)(6) of this section.

(L)(1) The investing authority shall establish and maintain an inventory of all obligations and securities acquired by the investing authority pursuant to this section. (2) The investing authority shall also keep a complete record of all purchases and sales of the obligations and securities made pursuant to this section.

(3) The investing authority shall maintain a monthly portfolio report and issue a copy of the monthly portfolio report describing such investments to the county investment advisory committee, detailing the current inventory of all obligations and securities, all transactions during the month that affected the inventory, any income received from the obligations and securities, and any investment expenses paid, and stating the names of any persons effecting transactions on behalf of the investing authority.

(4) The monthly portfolio report shall be a public record and available for inspection under section 149.43 of the Revised Code.

(5) The inventory and the monthly portfolio report shall be filed with the board of county commissioners. The monthly portfolio report also shall be filed with the treasurer of state.

(M) An investing authority may enter into a written investment or deposit agreement that includes a provision under which the parties agree to submit to nonbinding arbitration to settle any controversy that may arise out of the agreement, including any controversy pertaining to losses of public moneys resulting from investment or deposit. The arbitration provision shall be set forth entirely in the agreement, and the agreement shall include a conspicuous notice to the parties that any party to the arbitration may apply to the court of common pleas of the county in which the arbitration was held for an order to vacate, modify, or correct the award. Any such party may also apply to the

court for an order to change venue to a court of common pleas located more than one hundred miles from the county in which the investing authority is located.

For purposes of this division, "investment or deposit agreement" means any agreement between an investing authority and a person, under which agreement the person agrees to invest, deposit, or otherwise manage, on behalf of the investing authority, a county's inactive moneys or moneys in a county public library fund, or agrees to provide investment advice to the investing authority.
